The Storage Spot- Milton

30 Market Drive
Milton, Ontario
L9T 3H5

Dear Teresa Martin Grier, and the Milton Storage Spot Team:

Re: *Donation to the Salvation Army Food Bank*

Thank-you Milton Storage Spot for the donation of the storage locker. As a non-profit organization, we struggle to find space in our existing warehouse for food, toys and other “seasonal” items. Purchasing storage space would take money from our budget, which could otherwise be used in serving our community. Therefore, your gift of storage space is a real blessing to us and to those we service. Please know that we truly appreciate your donation.

We are award that your company generously support two charities and we do not take for granted that we are one of the m. So, thank you for choosing us!

Please know that we, at the Milton Salvation Army, feel blessed to have organizations, like yours, join with us in order to help those who are less fortunate in our community.

Finally, I would like to personally invite you to stop by our location which at 100 Nipissing Road, Unit #3 at any time to get a first hand look at how we serve our community.

Thank you,

Rob Henson

Rob Henson and the staff of Khi Community—the Milton Salvation Army
